Please Note: This is an eight match series, which cannot be fished as an odd individual match, depending on the venue.

The series costs **£10 to enter**, with the overall prizes paid out on the basis of 6 out of 8 results counting.

Pools on the day will be £10, and the payout for each match will be top two or three, depending on attendance. If 12-plus fish, then there will also be two sections paid out (money back), with the balance paid out to the top three

Anglers not able to fish some matches will be able to nominate a reserve to fish for them (no more than two matches).
